Club Practise Rules

This document is in addition to the current Karting Australia Manual and is required to be followed by all Karter's practising at Lincoln County Raceway under a current KA Practise Permit.

1. The track is only to be used by current AKA Licence holders with current club membership; Members are forbidden to allow unlicensed people use their karts on the track.
2. There must always be at least one adult (over 18 years of age) who is not driving on the track to act as a spectator in the event of an emergency; this negates the ability of a Karter to practise alone.
3. Prior to practise members are to sign the practise register located in the out-grid shed and complete a track walk to ensure that there is no debris on the track. A copy of the current practise permit and a copy of the membership register is located with the practise register.
4. Any damage or issues with the track or facilities must be reported to the Club Secretary immediately via our website or email dubbokartclub@hotmail.com
5. All gates must be closed and locked (where required) on your departure. This includes all gate to the In-grid and out-grid. Whilst practising the front gate (onto the highway) may be left open, however the entrance to the pits must remained closed and locked at all times.
6. Current key holders are permitted to open the track for themselves only. A \$50 practise fee will be charged for all Karters (current DKC members included) who require the track to be opened for them. Track access can be obtained by prior arrangement with the Club Secretary via email, the club phone 0490 101 894 or by seeing the Caretaker when available at the track.

7. Karters are only permitted to utilise equipment that they by their licence class and grade are permitted to use as per the current Karting Australia Manual. (E.g. E and D grade licence holders must not use an unrestricted 125 engine).

8. As per the karting manual; Cadets and Rookies may practise together however must not be on the track at the same time as any Junior or Senior Karter. Likewise all juniors can practise together but most not do so with Cadets, Rookies or Seniors. Seniors may all practise together but must not be on track at the same time as Cadets, Rookies or Juniors.

9. All Karters are reminded that all rules as per the current Karting Australia Manual are in place at all times during practise and penalties may be applied in accordance with the manual for failure to comply with the official rules.
